As Prince.

Washington, March 17.—An American war vessel, probably the gunboat Eagle, is now on the way from Guantanamo to Port Au Prince, Haiti, where the Haitian government summarily executed a number of alleged revolutionists. The vessel is not sent there because of any serious apprehension on the part of the officials here that American interests at Port Au Prince or at other points in Haiti are in serious danger, but as a matter for publication, but it may be

Girl Who Stained Face Dies.

Appleton. Wis., March 16.— Miss Mary Schmidt, the Black Creek girl, who, after studying chemistry, used her knowledge to devise a face stain that would permit her to appear as the devil at a costume party given at Lawrence university, died from blood poisoning as a result of her efforts to remove the stain. The girl's apearance caused amazement at the party, for, while others were masked, her face and neck and hands were a brilliant red. The pailbearers will be six of the young men who attended the party at which she appeared.

## Wilson Heater -

\$0000000000000000000000000

Will Save 40 Per Cent. Of Your Fuel Bill a - -

The celebrated Hot-Blast Down-Draft creates perfect combustion, the gases and fumes (40 per cent. of the heating power of wood), ordinarily escaping unburned up the chimney in other stoves, are all consumed and turned into heat in the WILSON. The Wilson is the only heater in the world, which actually burns all of the fuel put into it. The WILSON is air-tight, heat can be regulated to any degree, and will hold a fire for 36 hours. What you save on fuel will pay for a WILSON HEATER in one season. Burns Wood
